

Terms and Conditions:

The platform www.sieureusesc.ro is part of the programme *#SiEuReusesc, From Victim to Survivor*, implemented by the Association for Liberty and Equality of Gender - A.L.E.G. For further information about us, access: www.aleg-romania.eu

Your story, whether in written, audio or video format, will encourage other women to believe that they too can get out of the abusive relationships they are facing, by offering a positive, motivating example. Your story should answer the following questions: *How did you do it? When and how did you decide to say STOP? Where did you find support? What worked for you? How are you feeling now?* Any story (in whatever format) can be uploaded on the platform www.sieureusesc.ro, as long as it does not endanger the life of its author or of other persons involved, and it does not affect the rights of third parties. We reserve the right to select the stories to be published on www.sieureusesc.ro

The data entered into this form will be processed in accordance with the EU General Data Protection Regulation (GDPR), which means you have the option to withdraw your story from the platform or discontinue any connection with A.L.E.G or the platform *#SiEuReusesc* at any moment.

The stories made public will not include any data related to the names of the people in the story; so, in order to ensure the safety and the confidentiality of all the people involved, we encourage you to use aliases, initials or first names.

Written stories must not exceed 300-350 words (one Word page). Audio or video stories must not be longer than 3 minutes, or we may not be able to upload them on the platform *#SiEuReusesc*.

Public stories can be shared on the *SiEuReusesc* YouTube page or on social networks, such as Facebook or Instagram.

A.L.E.G. has the right to modify or delete certain fragments of stories, so as to avoid that they affect the author or third parties but will keep the author's voice and their words.

By uploading a story, the user guarantees that their story is personal and real. A.L.E.G. does not undertake to check whether the story is true, trusting that the user acts in good faith.

By publicly uploading stories, you agree that you can be contacted by A.L.E.G for the following purposes: consultation regarding the development of public policies or the organization of awareness-raising campaigns, with your consent.
